

Fredericksburg Cooperative Preschool The Rose Huffman Scholarship Application Form

Please email completed application to our Program Director, program_director@fpionline.org

Fredericksburg Cooperative Preschool understands that the expense of preschool can be a strain on a family's budget. Helping eligible families reduce their cost through scholarships is an important part of our program. We strive to keep our tuition as low as possible while continuing to provide a high-quality preschool program. Our scholarship funds are donated by our current and alumni membership families.

Scholarships will be awarded based upon need and may provide between 25% - 100% of total tuition cost. The family is responsible for providing the remaining tuition, due on the dates outlined in the preschool parent handbook. The family is also responsible for full participation in the cooperative community. Applications are received by the preschool director, who will then submit anonymous versions of the application to the preschool scholarship board for review. This review board is composed of Alumni Families and will contain no current members to respect the anonymity of our membership families.

All personal financial documents provided during the application process will remain confidential and be returned or destroyed after scholarships are awarded. The application review process will begin **June 1st**.
